## WHAT DOES CURA FUNERAL COVER ENTAIL?

This product provides cover in the event of the death of the principal insured or an insured immediate family member. The death of a family member in itself, is an emotional and traumatic experience and the lack of money to cover funeral costs adds greatly to aggravate the situation for the family who are struggling

to cope emotionally with the loss of a loved one. The Cura Funeral cover ensures peace of mind for the family who can often ill-afford funeral expenses.
